

CAMBRIDGE MONTESSORI

(UNDER THE AEGIS OF JALSA VENTURES)

PRE SCHOOL | DAY CARE | MINDLAB

An innovative school methodology, which helps development of critical thinking abilities as well as life skills for the overall development of children. Our mission is to prepare the next generation for the complex challenges by strengthening a broad range of cognitive, emotional and social skills. We also encourage teaching, how to think relectively and learn in a dynamic environment.

We at Cambridge Montessori Pre School provide the best of trainers, the best of equipments, environment and a new vision towards life from early childhood to have success in their life and create their own story. Different means are used to teach your child, way to create something new, to think rationally and to act purposefully.

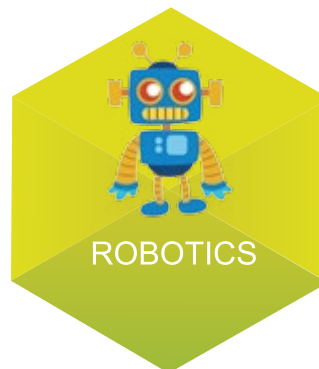

IN MIND LAB, WE TEACH VARIOUS SUBJECTS LIKE:

ENGLISH

MATHEMATICS

ROBOTICS

PERSONALITY
DEVELOPMENT
