Biannual Issue: January-June 2025

Dear Readers,
Warm Greetings!

On behalf of the entire Editorial Board and Team, we extend our heartfelt wishes for a wonderful and successful new term. We are delighted to welcome you to the latest biannual edition of our school newsletter.

This edition brings you a vibrant mix of school highlights, important updates, insightful articles and creative expressions that truly capture the spirit and energy of our CMPS family. Over the past few months, our journey has been guided by the core values of child-centered learning, the nurturing of leadership qualities, emotional development and strong moral values — all seamlessly integrated with critical thinking and multiple intelligences. Our goal with this publication is to keep you informed, connected and inspired. We hope you enjoy reading it as much as we enjoyed putting it together. ***Happy Reading!***

About Us

Welcome to *Cambridge Montessori Preschool* — where a child's journey into the world of learning begins with wonder, exploration and joy.

At Cambridge Montessori, we are committed to nurturing young minds in a warm, caring and stimulating environment. Rooted in the globally respected philosophy of Dr. Maria Montessori, our approach centers around hands-on, experiential learning that supports each child's natural development.

Our thoughtfully designed curriculum caters to the individual needs and pace of every learner, helping them grow into confident, independent thinkers. Each classroom is a vibrant and engaging space where children explore, create and collaborate through purposeful activities that enhance their cognitive, emotional, social and physical growth.

Guided by dedicated educators trained in the Montessori method, students are encouraged to question, investigate and develop problem-solving skills, laying the groundwork for lifelong learning and curiosity.

We believe in the strength of a connected community, where educators, parents and children work in harmony to ensure each child receives personalized attention and care. Open communication and collaboration are at the heart of our philosophy, fostering a supportive environment that empowers children to thrive.

At Cambridge Montessori Preschool, we don't just prepare children for school, we prepare them for life. We strive to shape compassionate, resilient and capable individuals who are eager to embrace the future with confidence and a love for learning.

Come, be a part of our inspiring journey — where learning is a joyful adventure.

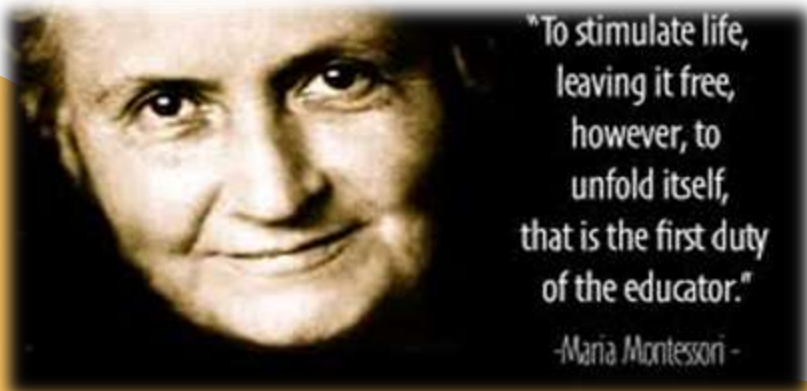

Our Mission & Vision

At **Cambridge Montessori Preschool & Daycare**, we are dedicated to nurturing each child's natural curiosity and independence through the Montessori philosophy and interactive, activity-based learning. We strive to create a respectful, child-centered environment where learning is joyful, meaningful and rooted in real-world experiences.

Our goal is to foster the holistic development of every child—intellectually, socially, emotionally and morally—by igniting their imagination, promoting creativity and encouraging critical thinking. We use thoughtfully prepared environments and engaging resources to build a strong foundation for lifelong learning.

We envision a vibrant, inclusive community where children are empowered to become confident, compassionate and responsible individuals. Rooted in timeless Montessori principles, our approach inspires children to embrace diversity, celebrate individuality and develop into thoughtful, capable and globally aware citizens—ready not just for school but for life.

Dr. Maria Montessori

Dr. Maria Montessori (1870–1952) was an Italian physician, educator and pioneer of early childhood education. She was the first woman in Italy to earn a medical degree and is best known for developing the Montessori Method — a child-centered educational approach based on scientific observations of children's natural learning processes. Her philosophy emphasizes independence, hands-on learning and respect for a child's individual pace and development. Today, her revolutionary ideas continue to influence schools and educators worldwide.

With Warmth from Our Founder

Dear Parents and Valued Stakeholders,

It brings me great joy to present to you the latest edition of our biannual Cambridge Montessori Preschool newsletter—a heartfelt reflection of the incredible journey we’ve shared over the past few months.

Within these pages, you’ll discover a vibrant tapestry of activities, learning milestones, celebrations, and moments of joy that took place across all our branches. From classroom innovations to festive gatherings, each event showcases the spirit of exploration, creativity, and care that defines our unique Montessori approach.

This newsletter is more than just a summary; it is a tribute to our dedicated educators, curious learners, and supportive parents who make the Cambridge Montessori family so special. It is through your continued trust and collaboration that we are able to create nurturing environments where every child can thrive and shine.

As we look forward to the months ahead, we remain committed to our mission—fostering holistic development and laying a strong foundation for lifelong learning.

Happy reading, and thank you for being an essential part of our growing family.

Warm regards,

Pankaj Kumar

Building Brighter Future Together

Dear Parents,

I hope you and your family are doing well. As we progress through this academic year, I feel energized by the opportunity to share our vision and updates with you. Our commitment remains unwavering—to nurture each child in a supportive, engaging environment where curiosity is celebrated, and every learning moment is valued.

This year, our curriculum continues to integrate hands-on, experiential methods inspired by the Montessori philosophy. Our teachers are designing lesson plans that spark sensory-rich interactions and encourage independent thinking. We recognize that these early experiences lay the foundation for confidence and discovery, and we are delighted to see our students thrive in an environment that respects their individuality and fosters creativity.

In the coming months, we have planned several interactive events, workshops, and parent-teacher sessions. These opportunities not only offer insights into your child's academic journey but also invite you to become an integral part of our learning community. Your active engagement at home amplifies our efforts, and together, we can make a significant impact on our children's future.

Thank you for your trust, support, and the invaluable role you play in our educational community. We look forward to working closely with you, sharing successes, and overcoming challenges, as we all strive to create a nurturing atmosphere where each child can shine.

Warm regards,

Mrs. Sumathi Shivashankara

Message from the Academic Head

Dear Educators and Directresses,

Your passion drives these efforts forward. Every lesson we learn, every moment we nurture, plants the seeds for a brighter future. Together, we have the power to inspire lifelong learners, shape confident leaders, and create schools where every child feels seen and supported.

Let's continue this journey with excitement and determination. I look forward to working alongside you, celebrating your successes, and supporting you every step of the way.

1. Express Genuine Appreciation – Start by acknowledging their dedication and impact. Use phrases like “Your unwavering commitment to shaping young minds is truly inspiring.”
2. Use Empowering Language– Shift from directives to motivational language. Instead of “We need to implement experiential learning,” say “Together, we can create classrooms where learning comes alive through experience.”
3. Celebrate Progress – Highlight past achievements and reassure them of their ongoing value. Example: “Thanks to your dedication, we’ve already seen remarkable growth in student engagement and creativity.”
4. Incorporate a Vision of the Future– Inspire them with a hopeful outlook. Example: “Our collective efforts today will shape a generation of confident, curious learners ready to take on the world.”
5. Include a Personal Invitation to Contribute – Encourage participation without pressure. Example: “Your ideas and innovations have the power to transform education. Let's collaborate to make a lasting impact.”

I want to take a moment to recognize the heart and dedication you bring to every lesson, every interaction, and every milestone in our students' learning journeys. Your commitment to fostering curiosity, confidence, and creativity is what makes our schools truly special.

As we move forward, let's embrace new possibilities with enthusiasm. This year, we will introduce dynamic initiatives designed to empower both teachers and students:

Innovative Learning Strategies– Hands-on, sensory-rich experiences that bring concepts to life.

Professional Growth Opportunities– Engaging workshops where we share, learn, and grow together.

Stronger Community Connections – Collaborative programs that unite educators, families, and learners in meaningful ways.

Let's continue this journey with excitement and determination. I look forward to working alongside you, celebrating your successes, and supporting you every step of the way.

Warm regards,

Our Programs

Little Hearts (1–2 Years)

Tiny Little Steps

Our **Little Hearts** program is tailored for toddlers aged 1 to 2 years, a crucial period for growth, exploration and the development of independence. At *Cambridge Montessori Preschool*, we recognize the importance of these formative months in shaping a child's physical, emotional and social development.

Guided by the Montessori philosophy, our environment is carefully designed to encourage curiosity, movement and sensory exploration. Every space in the classroom supports hands-on learning, fostering independence and laying the foundation for future learning.

Tender Hearts (2–3 Years)

Exploring, Engaging and Growing Through Play

The *Tender Hearts* program at Cambridge Montessori Preschool is specially crafted for children aged 2 to 3 years — a stage filled with discovery, movement and blossoming independence.

At this age, children begin to develop foundational skills through active exploration of their surroundings. Our nurturing environment is designed to support their physical, cognitive and emotional growth while making the transition from home to school a smooth and joyful experience. Our focus is on creating a safe, cheerful and responsive space where children feel encouraged to express themselves, explore new ideas and enjoy learning through play.

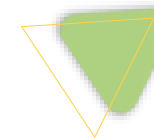

Nursery (3–4 Years)

Laying the Foundation for Academic Readiness

Our *Nursery* program is designed for children aged 3 to 4 years — a pivotal stage where structured learning begins to take shape in an engaging and supportive environment.

At Cambridge Montessori Preschool, we introduce core subjects like **English, Mathematics, Hindi and Environmental Studies (EVS)** using innovative, hands-on Montessori techniques. Our curriculum aligns with national educational standards while integrating global best practices to ensure a smooth transition into formal schooling. Guided by trained Montessori educators, children in the Nursery program grow into enthusiastic learners who are well-prepared to enter the next stage of their academic journey.

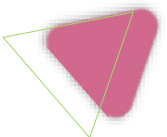

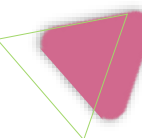

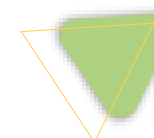

LKG (4-5 Years)

Building Confidence, Communication and Readiness for Formal Schooling

The **LKG** program at *Cambridge Montessori Preschool* is designed for children aged 4 to 5 years, a pivotal stage for developing expression, confidence and social awareness. Our curriculum supports these milestones through a balanced mix of academics, creativity and personality development.

Children are encouraged to independently participate in activities like poems, stories and extempore exercises, fostering clear communication and self-assurance. Our dynamic LKG classroom creates an engaging environment where learning is both joyful and meaningful, empowering children for the next step in their educational journey.

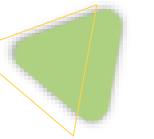

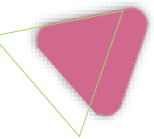

UKG (5–6 Years) Strengthening Foundation for Formal Schooling

The *Upper Kindergarten (UKG)* is designed to provide a strong academic and emotional foundation for children aged 5 to 6 years, preparing them confidently for primary school and beyond.

Our curriculum follows national educational guidelines, enriched with Montessori principles and expert input to ensure holistic learning. With a balance of structured instruction and hands-on exploration, children begin to master key academic concepts in a nurturing and supportive environment.

At Cambridge Montessori Preschool, our UKG learners thrive in an environment where learning is joyful and purposeful. We believe in letting each child bloom at their own pace, while equipping them with the skills and confidence needed to succeed in the next chapter of their academic journey.

Class 1 (6-7 years)

Building Strong Academic Foundation for Lifelong Learning

We prepare our students for their transition from early childhood education to primary school, focusing on laying a solid foundation for success in **Class 1** as per the **CBSE curriculum**.

Our approach integrates Montessori principles with the CBSE guidelines, ensuring that students are well-equipped academically, socially and emotionally for the formal schooling environment. Through active participation, creativity and critical thinking, we aim to foster a love for learning while building essential skills across subjects. Our experienced educators provide individual attention, ensuring that each child receives the support they need to thrive. With a blend of structured learning and hands-on exploration, we aim to create confident learners who are prepared to excel in their academic journey ahead.

Core subjects – including **Mathematics, English, Hindi, EVS, Computer and General Knowledge**, all taught with a focus on developing both academic knowledge and practical skills.

Class 2 (7-8 years)

Expanding Knowledge and Developing Critical Thinking

In **Class 2**, we continue to build on the strong academic foundation laid in the early years, providing students with a deeper understanding of core subjects while fostering creativity, critical thinking and social skills.

At *Cambridge Montessori Preschool*, we align our curriculum with the **CBSE guidelines**, ensuring that students are well-prepared for the challenges of primary school and beyond. Our teaching approach emphasizes active learning, inquiry-based methods and the development of independent thought, creating confident, curious learners. Our dedicated educators provide a balanced approach to learning, combining structured lessons with interactive, fun-filled activities. We create a safe and nurturing environment where students develop the skills they need to become lifelong learners and responsible citizens.

Core Subjects – Mathematics, English, Hindi, EVS, Computer and General Knowledge are taught with a focus on comprehensive understanding, problem-solving and application of concepts in everyday life.

Day Care

A Premium Day Care Experience with International Standards

At *Cambridge Montessori Preschool*, we offer a nurturing and supportive environment for children after school hours. Our **School Day Care Center** provides a homelike setting where children feel loved, cared for and engaged.

We understand that children are like delicate blossoms, needing extra attention, care and guidance to thrive. Our Day Care program focuses on the overall well-being and growth of each child, ensuring they are happy, safe and stimulated while their parents are away.

Unique About Us

Mind Lab at Cambridge Montessori Preschool

At *Cambridge Montessori Preschool*, we believe in nurturing the minds of young learners to think beyond the conventional. Our **Mind Lab** is a groundbreaking workshop designed to challenge children's thinking abilities, expand their learning horizons and ignite their curiosity in a fun, interactive and scientific manner.

Through our innovative methodology, we focus on the development of critical thinking, life skills and cognitive abilities. By incorporating strategy games and brain exercises, the Mind Lab fosters a range of skills that help children tackle complex problems, build resilience and adapt to challenges.

At Cambridge Montessori Preschool, we aim to lay the foundation for success, empowering children to create their path and make history from the very start of their lives.

Where Every Festival Finds a Home – Our School!

Festivals are a vibrant reflection of our culture and traditions and schools play a vital role in passing these values on to the younger generation. Celebrating festivals in school not only brings joy and excitement but also teaches students about unity, diversity and respect for different customs. Whether it's Diwali, Christmas, Eid, Pongal or national celebrations like create lasting memories. These celebrations foster a sense of community and inclusiveness, making school life colourful and meaningful.

Kites, Culture and Celebration- Makar Sankranti /Pongal

Our schools have celebrated ***Makar Sankranti/Pongal*** with great enthusiasm. Students learned about the significance of the festival through stories and cultural activities. They enjoyed kite-making, traditional games and delicious festive treats. The celebration helped children connect with Indian traditions while having fun with their peers.

Students learned about a happy festival where people thank nature for their crops, cook a special dish, draw pretty designs and enjoy time with family and friends. Children often participate in various activities like drawing, colouring and making small Pongal pots from paper or clay. Wearing traditional clothes and exchanging greetings with friends and family were also the part of the celebration.

We are delighted to share the wonderful memories of a **field trip** taken by CMPS GTN Salai Road to **Yaahaa Organic Farm**. It was a lovely and enriching walk through nature that offered hands-on learning about sustainable farming.

We learned that organic farming helps prevent air, water and soil pollution, promoting a healthier environment. At Yaahaa Organic Farm, we experienced firsthand the benefits of residue-free and chemical-free food. The children enjoyed a wholesome meal and were fascinated by the demonstration of cold-pressed oil preparation.

We also got to see various farm animals like country hens, cows, dogs, guinea fowl and ducks. The trip beautifully illustrated how one can live a happy, healthy life in harmony with nature. Organic farming not only supports human health but also nurtures the planet. It is essential that we continue to promote organic practices and raise awareness among farmers about its long-term benefits.

Annual Day is a significant event in a child's journey of learning and growth. It provides an opportunity for children to step out of their comfort zones and develop essential life skills. Here's why it is so important:

1. Building Confidence:

Performing on stage helps children overcome shyness and boosts their self-esteem, giving them the courage to express themselves in front of an audience.

2. Teamwork and Cooperation:

Participating in group activities like dances, skits, or songs teaches children the value of working together toward a shared goal.

3. Showcasing Talents:

Annual Day allows children to showcase their unique abilities, whether it's singing, dancing, acting, or speaking.

4. Memorable Experiences:

The excitement of preparing, performing and celebrating with peers creates joyful memories that children cherish for years.

At Cambridge Montessori Juniors, our Annual Day is more than an event—it's a celebration of our children's growth, creativity and confidence.

Ms. Manasi Acharya

School life is a unique and transformative phase that shapes the foundation of an individual's personal and academic growth. It is during these years that students acquire not only academic knowledge but also essential life skills.

At the core of school life is education. This isn't just about absorbing facts and figures, it's about developing critical thinking, problem-solving skills and a lifelong love for learning. Teachers play a pivotal role in this journey, guiding students through various subjects and fostering an environment that encourages curiosity and exploration.

Beyond academics, extracurricular activities are a vital part of school life. School life is not without its challenges. From pressure of exams to social anxieties, students face numerous hurdles. However, overcoming these challenges leads to personal growth and resilience. The experiences and memories made during school years are often cherished for a lifetime.

School life is a blend of education, social interaction, personal growth and memorable experiences. It lays the groundwork for future endeavors and helps shape well-rounded individuals ready to face the world.

Little Steps, Big Dreams

In the world of giggles and tiny feet,
Where every day is a joyful treat.
Colours splash and laughter flows,
In play school life, love truly grows.

Blocks and crayons, a magical land,
Tiny fingers craft dreams so grand.
Songs we sing, and stories we share,
Every moment, memories rare.

Hands held tightly, friends so new,
In this safe haven, the skies are blue.
Learning to share, to care, to smile,
Building foundations all the while.

Oh, the beauty of this early start,
Play school life warms every heart.
Little steps, yet big dreams bloom,
In these small rooms, there's endless room
