Biannual Newsletter
April - September 2026

Warm Greetings,

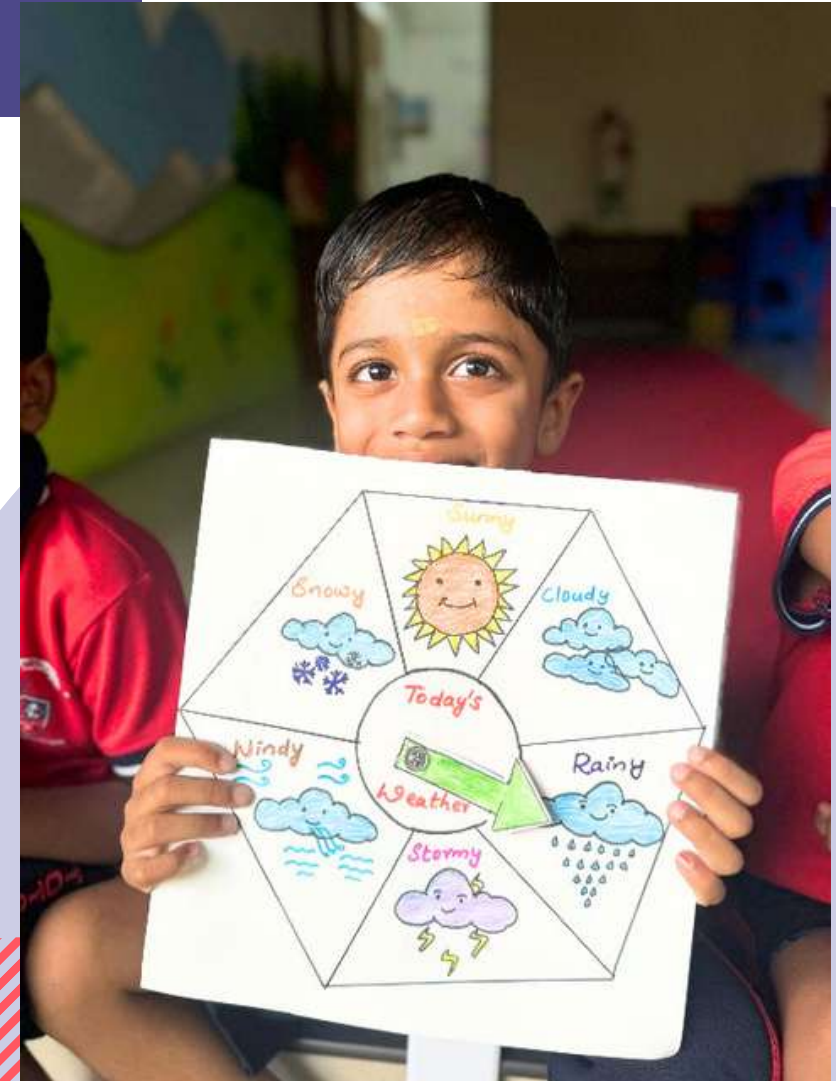

On behalf of the Editorial Board and the entire CMPS family, we are pleased to present the latest biannual edition of our newsletter.

As we begin another promising term, we reflect with pride on the meaningful learning experiences, vibrant celebrations and steady growth witnessed across all our branches. This edition captures the spirit of Cambridge Montessori Preschool & Day-care, a community united by a shared commitment to excellence in early childhood education.

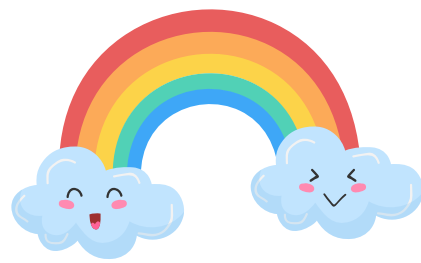

Guided by child-centered learning and the development of leadership, emotional well-being and strong values, we continue to nurture holistic growth in every child. The highlights featured in these pages reflect the dedication of our educators, the enthusiasm of our students and the support of our parent community.

We thank you for your continued trust and partnership and we hope you enjoy this.

With Regards
Editorial Board

About Us

Welcome to **Cambridge Montessori Preschool** where a child's journey into the world of learning begins with wonder, exploration and joy. At Cambridge Montessori, we are committed to nurturing young minds in a warm, caring and stimulating environment. Rooted in the globally respected philosophy of Dr. Maria Montessori, our approach centers around hands-on, experiential learning that supports each child's natural development. Our thoughtfully designed curriculum caters to the individual needs and pace of every learner, helping them grow into confident, independent thinkers. Each classroom is a vibrant and engaging space where children explore, create and collaborate through purposeful activities that enhance their cognitive, emotional, social and physical growth. Guided by dedicated educators trained in the Montessori method, students are encouraged to question, investigate and develop problem-solving skills, laying the groundwork for lifelong learning and curiosity.

We believe in the strength of a connected community, where educators, parents and children work in harmony to ensure each child receives personalized attention and care. Open communication and collaboration are at the heart of our philosophy, fostering a supportive environment that empowers children to thrive. At Cambridge Montessori Preschool, we don't just prepare children for school, we prepare them for life. We strive to shape compassionate, resilient and capable individuals who are eager to embrace the future with confidence and a love for learning.

Our Mission & Vision

At Cambridge Montessori Preschool & Day-care, our mission is to cultivate each child's innate curiosity, independence and love for learning through authentic Montessori practices blended with interactive, experiential education.

We are committed to providing a thoughtfully prepared, child-centred environment where learning is engaging, purposeful and connected to real-life experiences. Every classroom is designed to nurture confidence, discipline, creativity and self-discovery.

Our approach focuses on the holistic development of every child, intellectually, socially, emotionally and ethically. Through structured guidance and meaningful exploration, we encourage critical thinking, leadership qualities and a strong value system that forms the foundation for lifelong learning.

Our vision is to build a dynamic and inclusive learning community where children grow into confident, compassionate and responsible individuals. Rooted in timeless Montessori principles, we aim to inspire global awareness, respect for diversity and the courage to embrace individuality.

At CMPS, we do not simply prepare children for the next academic stage, we prepare them for life.

“Nurturing Independence. Inspiring Excellence.”

Dr. Maria Montessori

“The child is both a hope and a promise for mankind.”

-Maria Montessori

Maria Montessori (1870–1952) was an Italian physician and pioneer of early childhood education. She developed the Montessori Method, a child-centred approach based on scientific observation of children’s natural learning processes.

Her philosophy emphasizes independence, hands-on learning and respect for each child’s individual pace of development. Today, her educational principles continue to guide and inspire schools worldwide.

Founder's Message

Dear Parents and Valued Stakeholders,

It gives me immense pleasure and pride to share with you this year's edition of the Cambridge Montessori Preschool Newsletter, A beautiful reflection of our collective journey, growth and achievements.

As I look back on the past months, I am truly delighted by the remarkable learning experiences, joyful celebrations, and meaningful milestones that have unfolded across all our branches. Each page of this newsletter captures the essence of our vibrant classrooms, where curiosity is nurtured, creativity is encouraged, and every child is empowered to explore their full potential.

At Cambridge Montessori, we strongly believe that early childhood education lays the foundation for lifelong success. It is heartening to witness our young learners growing with confidence, enthusiasm, and a love for learning. These accomplishments would not have been possible without the unwavering dedication of our educators and the continuous support and trust of our parent community.

This newsletter is not just a collection of events, it is a celebration of our shared vision and the strong bond that connects us as one family. Together, we are creating a nurturing environment where children feel safe, valued, and inspired every single day.

As we move forward, we remain deeply committed to fostering holistic development and providing enriching experiences that shape the future of every child entrusted to us.

I sincerely thank you for being an integral part of our journey. Your trust motivates us to strive for excellence and continue making a positive difference in the lives of our children.

Warm Regards

Strengthening Partnerships, Driving Sustainable Growth

Growing Stronger Together

Dear Parents, Partners, and Valued Stakeholders,

It is truly inspiring to see the Cambridge Montessori family continue to grow and make a meaningful impact in early childhood education across India. With more than 500 centers nurturing young learners, our collective journey reflects the trust and commitment of our partners, educators and families.

At the heart of our efforts is a strong focus on supporting our centers through improved systems, collaborative initiatives and continuous guidance that helps maintain the high standards of our community values. Together, we are building a network that not only expands in reach but also strengthens in quality and care.

As we move forward, we remain dedicated to empowering our partners, enhancing operational excellence and creating even more opportunities for children to learn, explore and thrive.

Thank you for being an important part of our growing community.

Message from the Academic Head

Dear Educators and Directresses, Your passion drives these efforts forward. Every lesson we learn, every moment we nurture, plants the seeds for a brighter future. Together, we have the power to inspire lifelong learners, shape confident leaders and create schools where every child feels seen and supported.

Let's continue this journey with excitement and determination. I look forward to working alongside you, celebrating your successes and supporting you every step of the way.

Express Genuine Appreciation Start by acknowledging their dedication and impact. Use phrases like "Your unwavering commitment to shaping young minds is truly inspiring."

Use Empowering Language, Shift from directives to motivational language. Instead of "We need to implement experiential learning," say "Together, we can create classrooms where learning comes alive through experience."

Celebrate Progress, Highlight past achievements and reassure them of their ongoing value.

"Thanks to your dedication, we've already seen remarkable growth in student engagement and creativity."

Incorporate a Vision of the Future, Inspire them with a hopeful outlook.

"Our collective efforts today will shape a generation of confident, curious learners ready to take on the world."

Include a Personal Invitation to Contribute, Encourage participation without pressure. "Your ideas and innovations have the power to transform education. Let's collaborate to make a lasting impact

I want to take a moment to recognize the heart and dedication you bring to every lesson, every interaction and every milestone in our students' learning journeys. Your commitment to fostering curiosity, confidence and creativity is what makes our schools truly special.

As we move forward, let's embrace new possibilities with enthusiasm. This year, we will introduce dynamic initiatives designed to empower both teachers and students:

Innovative Learning Strategies– Hands-on, sensory-rich experiences that bring concepts to life.

Professional Growth Opportunities– Engaging workshops where we share, learn, and grow together.

Stronger Community Connections – Collaborative programs that unite educators, families, and learners in meaningful ways.

Let's continue this journey with excitement and determination. I look forward to working alongside you, celebrating your successes, and supporting you every step of the way.

Warm Regards

Our Programs

Little Hearts (1-2 years)

Where Every First Step Matters

The Little Hearts program is designed for toddlers aged 1 to 2 years a stage filled with first discoveries, emerging independence and rapid development. During this crucial phase, children learn through movement, touch and exploration. Our thoughtfully prepared environment encourages them to observe, experiment and interact with confidence.

Every activity is planned to strengthen motor coordination, enhance sensory awareness and support early social connections. Inspired by Montessori principles, the classroom offers freedom with structure, allowing toddlers to make simple choices, build self-reliance and experience the joy of learning at their own pace.

Each space is intentionally designed for hands-on engagement, ensuring that every small step becomes a meaningful milestone. Through gentle guidance and purposeful exploration, we lay a strong foundation for confident, capable learners.

Tender Hearts (2–3 Years)

Where Exploration Builds Confidence

The Tender Hearts program is thoughtfully designed for children aged 2 to 3 years, a stage marked by curiosity, movement and growing independence. At this age, children actively explore their surroundings and begin developing essential foundational skills. Our nurturing environment supports their physical coordination, early cognitive development and emotional confidence, ensuring a smooth and joyful transition from home to school.

Through guided activities and purposeful play, we create a safe and cheerful space where children feel encouraged to express themselves, build social connections and discover the joy of learning.

Nursery (3–4 Years)

Where Curiosity Meets Structure

The Nursery program is designed for children aged 3 to 4 years, a significant stage where structured learning begins to develop in a purposeful and engaging manner.

At this level, children are introduced to core areas such as English, Mathematics, Hindi and Environmental Studies through interactive, hands-on Montessori practices. Concepts are presented in a way that encourages understanding rather than memorization, fostering curiosity and confidence in learning.

Our curriculum aligns with national educational standards while incorporating progressive teaching approaches to ensure a seamless transition into formal schooling. Under the guidance of trained educators, children develop strong academic foundations, communication skills and independent thinking abilities.

This stage prepares young learners not only for the next academic level but also for a lifelong journey of confident and meaningful learning.

LKG (4-5 Years)

Confident Voices. Capable Learner

The LKG program marks an important transition in a child's learning journey. Designed for children aged 4 to 5 years, this stage focuses on strengthening communication, confidence and social understanding while deepening academic engagement.

At this level, children move towards greater independence and structured learning. The curriculum integrates literacy, numeracy and environmental awareness with creative expression and personality development. Through activities such as storytelling, presentations, role play and interactive discussions, children learn to articulate their thoughts clearly and participate with assurance.

The classroom environment encourages responsibility, collaboration and self discipline, helping each child develop a strong sense of identity and readiness. By balancing academic foundations with expressive opportunities, This program prepares learners to step confidently into formal schooling with competence and enthusiasm.

UKG (5–6 Years)

Advancing Towards Academic Excellence

The UKG program is the final stage of early childhood education, designed to prepare children aged 5 to 6 years for a confident transition into primary school.

At this level, learning becomes more structured while maintaining curiosity and engagement. The curriculum integrates Montessori principles with CBSE aligned expectations, helping children build strong academic and social foundations.

Students are introduced to core subjects including Mathematics, English, Hindi, Environmental Studies, Computer and General Knowledge through a balanced mix of structured learning and hands-on activities.

With guided support from experienced educators, children develop communication skills, independent thinking and confidence ensuring they are well-prepared for Class 1 and their continued academic journey.

Class 1 (6-7 years)

Where Foundations Grow into Lifelong Learning

We prepare our students for their transition from early childhood education to primary school, focusing on laying a solid foundation for success in **Class 1** as per the **CBSE curriculum**.

Our approach integrates Montessori principles with the CBSE guidelines, ensuring that students are well equipped academically, socially and emotionally for the formal schooling environment. Through active participation, creativity and critical thinking, we aim to foster a love for learning while building essential skills across subjects. Our experienced educators provide individual attention, ensuring that each child receives the support they need to thrive. With a blend of structured learning and hands-on exploration, we aim to create confident learners who are prepared to excel in their academic journey ahead.

Core subjects – including **Mathematics, English, Hindi, EVS, Computer** and **General Knowledge**, all taught with a focus on developing both academic knowledge and practical skills.

Class 2 (7-8 years)

Strengthening Understanding, Encouraging Independent Thinking

In **Class 2**, we continue to build on the strong academic foundation laid in the early years, providing students with a deeper understanding of core subjects while fostering creativity, critical thinking and social skills.

At Cambridge Montessori Preschool, we align our curriculum with the **CBSE guidelines**, ensuring that students are well prepared for the challenges of primary school and beyond. Our teaching approach emphasizes active learning, inquiry based methods and the development of independent thought, creating confident, curious learners. Our dedicated educators provide a balanced approach to learning, combining structured lessons with interactive, fun filled activities. We create a safe and nurturing environment where students develop the skills they need to become lifelong learners and responsible citizens.

Core Subjects – Mathematics, English, Hindi, EVS, Computer and General Knowledge are taught with a focus on comprehensive understanding, problem solving and application of concepts in everyday life.

Day Care

Where Care, Comfort and Learning Come Together

Our Day Care program provides a safe, nurturing and homelike environment where children feel secure and engaged even after school hours. The space is thoughtfully designed to support children's well-being, relaxation and joyful learning while their parents are away. With attentive supervision and engaging activities, children continue to learn, play and grow in a warm and caring atmosphere.

Key Highlights

- Trained and caring staff
- Support for school activities
- Safe, secure and hygienic environment
- Expert-designed nutritious diet plans

Unique About Us

Mind Lab at Cambridge Montessori Preschool

In nurturing the minds of young learners to think beyond the conventional. **Our Mind Lab** is a groundbreaking workshop designed to challenge children's thinking abilities, expand their learning horizons and ignite their curiosity in a fun, interactive and scientific manner.

Through our innovative methodology, we focus on the development of critical thinking, life skills and cognitive abilities. By incorporating strategy games and brain exercises, the Mind Lab fosters a range of skills that help children tackle complex problems, build resilience and adapt to challenges.

At Cambridge Montessori Preschool, we aim to lay the foundation for success, empowering children to create their path and make history from the very start of their lives.

Cambridge Montessori Global School

Cambridge Montessori Global is our progressive K12 education initiative focused on nurturing future-ready learners through a balanced blend of academic excellence, innovation and holistic development.

The program is designed to provide students with a strong educational foundation while encouraging critical thinking, creativity, communication and leadership skills. With a learner-centred approach and modern teaching practices, Cambridge Montessori Global aims to create confident individuals who are prepared to excel in an ever-evolving world.

Rooted in strong values and a vision for quality education, the program continues to shape young minds through meaningful learning experiences and a supportive academic environment.

Parent Survey

We recently conducted a comprehensive parent survey across our branches and received an overwhelming response of over **4000+ submissions**. It is encouraging to note that more than **95% of the feedback was positive**, reflecting the trust and satisfaction of our parent community.

We strongly believe in transparency and open communication. Parents are always encouraged to share honest feedback—both positive and areas of improvement—without hesitation. This open approach helps us continuously enhance our quality and strengthen our relationship with families.

The response has been truly motivating, and we take great pride in the confidence our parents place in us.

Our Achievements

Global Recognition of Excellence

We are proud to announce that **Cambridge Montessori Preschool** has been awarded **Full Accreditation by the International Accreditation Organization (IAO)**. This prestigious recognition reflects our unwavering commitment to delivering education of the highest quality.

Our institution underwent a thorough evaluation based on IAO's **International Accreditation Criteria (IAC)**, which assess global best practices across three key domains:

- **Organizational Management**
- **Academic Management**
- **Institutional Performance**

Achieving Full accreditation signifies that Cambridge Montessori Preschool meets and exceeds international benchmarks, ensuring that our students receive an education aligned with global standards. It also underscores our dedication to continuous growth and excellence in educational delivery.

This milestone reaffirms our mission to nurture confident, capable learners in an environment that promotes innovation, quality and global readiness.

A Legacy of Excellence and Recognition

Cambridge Montessori Preschool has witnessed remarkable growth and has firmly established itself as a recognized leader in early childhood Education. We are thrilled to share that **in July 2025**, we were honored with a **Certificate of Recognition as Asia's Premier Montessori Preschool Network Award by Digital Learning**.

This prestigious accolade is a reflection of our unwavering dedication to providing high-quality education and care. It reinforces our commitment to nurturing young minds through innovative teaching methods and a child-centric learning environment.

Our journey has been defined by continuous progress and this recognition marks a significant milestone—acknowledging our pioneering efforts and the trust placed in us by parents and educators across the country.

We remain steadfast in our promise to deliver excellence, ensuring that every child receives a foundation built on strong values, academic rigor and holistic development.

Continuing the Journey

Since its inception, Cambridge Montessori Preschool has focused on designing a curriculum that harmonizes intellectual growth with emotional and social development. This holistic approach has not only resonated with families but has also been acknowledged by several esteemed platforms over the years.

As we celebrate this achievement, we recommit ourselves to creating impactful learning experiences that empower children and support families continuing a journey rooted in care, innovation and excellence.
